Church Design

A lot keeps happening on this point. Just the other day, the builders for the altar called me with a different last supper plaque for the front of the altar. The one we were looking at is \$3800. He told me he had one for \$1200. He now tells me he will let us have it for \$1000 in color or \$700 in white.

God is working in this project, so keep praying for the Building Committee and those whom we are trusting to work with us to make it happen.

When Will We Be In the New Church

The altar will not be here for 4 to 5 months, so no sooner than that unless the Holy Ghost pulls a few strings.

What is going to be important so that we get in in a timely manner is for you to be ready to do your part in the meantime.

That means, when we call “All hands on deck!,” you need to be there ready to help. This is all about man power now. I know you work during the week, so there will be a few Saturdays that we will need you there. I will be there most weekdays, doing what one man can do, so if you have a weekday open, call me to see if there is something you can help with.

Landscaping

There will be some need for immediate landscaping. If you want to be involved with this, please let me know.

We have two volunteers already.
