Landscape Committee

If the four of you want to contact me. We need to find a date and time to get together soon to cover a few things.

Is there anyone else that will want to be on this committee?

Don't worry, there is no heavy lifting yet.

Exorcism of the New Church

Today is the last Sunday that Church of the Brethren will be renting our church. They will be moving out the last of their possessions and then we are free to move in on September the first.

Bishop Boyea has given me permission to perform an exorcism on places (not people) over our new church and property. The following will need to be followed by you to help make this happen and to assure that we are able to fully purify the church of this filth and send it back to hell where it belongs.

The date of the exorcism will be September 7th. This is a First Saturday and we will begin everything at 9 am as usual. Adoration will begin after Mass and the exorcism will begin when my assistants and I arrive at the church.

Volunteers for Adoration

While the exorcism is taking place, we will want people here at the Cathedral praying in adoration. At this time we do not know how long the exorcism will last. It could last 3,4,6,8 hours. We will not know until we begin.

I suggest people sign up next Sunday for your shift, or to volunteer to be here the whole time. For safety and security, there will need to be 2 or more people here the whole time.

If we finish early, we will contact people not to come in.

More Information to Follow

There will be more instructions for everyone in next weeks bulletin.

Important Note

No one will be allowed to be at the church during the exorcism. This is for your safety. As demons are being cast out, we do not want them attaching themselves to you.
