Pastoral/Finance Council

Remember the meeting this Tuesday was canceled.

Also - please see the below announcement for the Building Committee as it is intended for you also.

Building Committee

Two issues were still open when we finished our meeting last Tuesday.

The first was the roof. I have decided that we will do only half the roof as your recommended. I am still not comfortable with it, but I do believe that it is the best course of action at this time. So thank you for all your input on that matter.

The second has to do with the altar. To help us come to a better understanding of our vision for our community, I asked the Paptic's to produce some renderings of the altar so we will be able to see what we are talking about. They did a beautiful job. I think their renderings should bring us to full unison on the vision. As usual, I will not give my opinion until I have hear all of yours. I will be sending all of you on the committee a copy of these renderings of the altar for you to look at. Please do not show them to anyone else in the community. Once we have come to a decision, then I will show it all to them for the first time this first Sunday at the parish social hour.

Parish Social Hour

I would like everyone to come to the parish social hour this Oct 6th. Not just to show the altar, but because I have another activity in mind at the social hour for everyone. I do not want to tell you now. But please plan on 2 hours for this important day.
