## Remodeling

There will not be any work after Monday this week. The drywaller will be there for the next 2 to 3 weeks working on the ceiling.

MONDAY - I will be there at 8 am and will finish about 3 pm so I can get ready for Mass that evening.

REPORT - The roofers are there and have much of the roof finished. They should be finished this week.

The demolition is finished and we have started construction on the sanctuary.

I hope to do some drywall work soon and I will need help. Don't worry, I will not ask you to mud the walls (unless you want to learn).
