## Parish Social Hour

I had a great time with you last week

I hope you enjoyed the documentary and that it helps you grow in an every more fruitful way in your spiritual life.

## Rick and Teresa Thelen

They are not with us today. I received a text from Rick the other day to please come to the hospital to anoint Teresa. It seems that her heart rate is way to fast. They are addressing that today with some procedures. They then want to induce labor this week.

They have asked for your prayers.

Please pray for them.

## Remodeling

Everything is looking good.

The drywall hangers finished up the ceiling yesterday at 7:30 pm. It looks great. The mudder will be in this Monday to start work on the mudding ceiling. This means that there will not be any work again this week,

When he is finished with the mud work, we will continue our work on the sanctuary and on wrapping the ceiling beams in wood.

These are projects you can help with if you have time.

Other things to start is the parking lot. I do not know if they will want any help. I will keep you in the loop.

We are almost finished with he designing of the altar. I figure we will have 1 or 2 more revisions and then we can give the order to build. After that it will take about 3 months to build it.

Please keep the whole project in your prayers. The really dangerous parts of the construction are finished. That makes me happy. Even happier that we all got through it unscathed.
