Remodeling

WOW !!!

We cleaned this week.

We did a simple cleaning earlier in the week and then yesterday (Saturday) we did an all out cleaning. The drywaller finished on Friday and boy did he leave a mess. You would not know it today. 12 people showed up and worked for 4 hours (less 30 minutes for a pizza lunch).

This is all about sweet equity. Your funds you have been putting forth for this project over the last 9 years and during this capital campaign (going good, by the way, thank you) are making all this possible, but your labor is also very important. I want you to have a personal investment in this church. Unfortunately, most of you work during the week and can not be there to help. I am trying hard to include people as I find your are able to

help. There are going to be jobs to be done as we continue. If you have time during the week, give me a call and I will see if there is a job I can match you up to.

We have a rule, no one is to be on ladders or scaffolding without someone else present on the ground. This is for safety to make sure someone can call 911 if something were to happen. St. Gregory the Great, pray for us that it never happens. This rule applies to me. There are going to be some days over the next few months where I will be there alone and need someone to just be there as I work on the scaffolding. This is a great job for someone who may not want to build, but still wants to help out. You can sit there and knit, read a book, do homework, catch up on emails or texts or whatever you want. I will let you know when these days are coming up so you can volunteer.

When we get the construction finished, there will be painting, and a lot of it. That will be an all hands on deck for a few Saturdays. Many should be able to help with that.

Altar

I hope to order the altar this Wednesday after the Building Committee meeting.

It will take about 3 months to build. The earliest we can expect to get it will be by the end of January or mid February.

Saint Search

The building Committee agrees that we need a statue of Mary, Joseph and St. Gregory the Great. We need another and we are struggling- who would you like to suggest? I have one I want to suggest, but not until you have had your input. Please email me your suggestions and I will present them to the Building Committee.

Sponsor a Part of the New Church

Further fund raising is necessary to build our church. Our savings and the capital campaign have and are going a long way to make all this happen. The altar intentions are off to a slow start, but we have received some. That has brought in a few funds. Please be suggesting this opportunity to your family and friends.

In addition to what we have done, I will be putting out a list of things that need to happen to make building our church possible. People will be able to make a donation to make this happen. Again, this does not need to come from you, but your family and friends may want to help us. Those who participate in this opportunity, will have their name on a plaque along side the item they sponsored.

When Will We Open

I am hoping for March 12th, the feast of St. Gregory the Great. It will be on a Thursday in 2020. More details to follow.
