Remodeling

All is still going great. We are moving more slowly right now as we are in the tedious part of construction. Lots of stuff is happening, but you cannot see it.

I may need special help on Wednesday. I have to take my truck in for some work. I will need a lift from Ford LaFontain on Cedar and taken to the new church so I can get some work done and then be taken back when the truck is finished.

At minimum, I know I will be alone at the church several days this week and I need someone there on 911 duty and to help me with handing and holding things for me that take more than the 2 hands I have.

Altar

The altar is not ordered yet. There was a \$1500 error on the invoice and I have asked them to correct it before I would be willing to sign it. I am not sure why it is taking so long to get it fixed.

Saint Search

The building Committee agrees that we need a statue of Mary, Joseph and St. Gregory the Great. We need another and we are struggling- who would you like to suggest? Please think in terms of a saint that is more than just some good saint, but one that would be greatly meaningful to this community. Please email me your suggestions and I will present them to the Building Committee.

Sponsor a Part of the New Church

(I am still working on this list)

Further fund raising is necessary to build our church. Our savings and the capital campaign have and are going a long way to make all this happen. The altar intentions are off to a slow start, but we have received some. That has brought in a few funds. Please be suggesting this opportunity to your family and friends.

In addition to what we have done, I will be putting out a list of things that need to happen to make building our church possible. People will be able to make a donation to make this happen. Again, this does not need to come from you, but your family and friends may want to help us. Those who participate in this opportunity, will have their name on a plaque along side the item they sponsored.
