Sponsor a Part of the New Church

(I am still working on this list)

Further fund raising is necessary to build our church. Our savings and the capital campaign have and are going a long way to make all this happen. The altar intentions are off to a slow start, but we have received some. That has brought in a few funds. Please be suggesting this opportunity to your family and friends.

In addition to what we have done, I will be putting out a list of things that need to happen to make building our church possible. People will be able to make a donation to make this happen. Again, this does not need to come from you, but your family and friends may want to help us. Those who participate in this opportunity, will have their name on a plaque along side the item they sponsored.
