Parish Picnic

July 18 at 3 pm

Start thinking about what goodies you are going to bring.

For newcomers, I will provide the meat and drinks, you bring all the side dishes.

Garage Sale - or Basement Sale

We had a few people sign up for the garage sale and I had a few people talk to me about having it. It seems that there is some interest so we will proceed forward with it.

Next - we need a date. What are you thinking?

Keep in mind that we will need to give people 2 or 3 weeks to bring stuff in.

After Mass Gatherings

At this time, it seems that there is a little interest in having the weekly socials after Mass.

With this in mind, we will move forward with it, We will see how it goes and then revisit where we want to go with this activity.

Construction

There are still a lot of things happening. The air conditioning is up and running. I hope it helps, but it still needs some work.

We are working on the kneelers, the pews, the altar rail, the doors in the sanctuary and my office, the two shelves on either side of the altar and other things too.

We are looking at the statues to be placed in the altar and how to go about it.

We are working on the votive grotto and what all to do there.

There is the back window that looks into the coat closet. What to do, what to do?

And so much more. - We are still a long way from being finished.

Also we need to get the landscaping committee together.

Please keep it all in your prayers.

Electronic Donations

We are now able to accept donations electronically. We are able to collect funds in several ways including on the web, on smart devices and on a kiosk. You will be able to make one time donations or ask to have the donation to automatically repeat.

You are not required to use it and it is simply there for those who would like to make their donation in this way.

It is also there for visitors to our parish and for those who visit our web site.

I hope this helps you stay on top of your contributions during these trying times.
