Building Committee

We need to have a meeting. We will be looking at the altar rail, the baptismal font and the statues of the saints to be placed in the altar.

Landscaping Committee

We need to put this committee together. I know some have already said they are interested, so this is a general invitation to everyone.

What this committee will do:

The actual work on the grounds.

Envisioning what the grounds will look like: Flowers, trees, grottoes...

This vision is for next year.

For this year, we will be doing a few things that I want to discuss with you. This is the prep work to get us ready to implement the vision we will put together. This vision will need to be run by the Pastoral Council and Finance Council.

Electronic Donations

We are now able to accept donations electronically. We are able to collect funds in several ways including on the web, on smart devices and on a kiosk. You will be able to make one time donations or ask to have the donation to automatically repeat.

You are not required to use it and it is simply there for those who would like to make their donation in this way.

It is also there for visitors to our parish and for those who visit our web site.

I hope this helps you stay on top of your contributions during these trying times.

Parishioners:

You will note that there are two categories of giving that apply to you.

- 1 - Parishioners Sunday Contributions - please use this option to make your Sunday contributions.
