their authority by lying and shutting down the very society we are to be evangelizing?

However are we going to “strengthen the faith of those who are members of the household of faith,” if our people are locked up and imprisoned in their domestic home while being banded, barred and locked out of their ecclesial home (church)?

However are we going to “win back those who have wandered away” when we have emptied and locked up the very churches we are supposed to be inviting them back to?

However do we “bring in new members to the Church” when we have failed to be the least bit different or inspiring in the midst of a fake crisis?

However do we “make Jesus Christ more present in our diocese” when we have failed to make Jesus Christ present in the diocese when we had the chance to?

God allowed the crisis to take place that we could shine as a people of faith and hope in the midst of a people who had neither.

When crisis hit and we had to make a choice between God and man, we as a church failed. We chose man. We chose fear. We chose lies. We chose deceit and deception. We chose slavery over liberty. We chose to destroy peoples lives rather than support and encourage them. I chose the mask and hid the face of God. In fact, we acted like

a bunch of Democrats with our evil and like a bunch of Republicans with our cowardice. Through it all ran the modernist agenda to destroy the sacred institution of the Church and replace it with a secular institution riddled with the Marxist ideology of a one world government, one world economy and one world religion (not Catholic to be sure).

Is it any wonder why we are shrinking as a church? What are we offering? NOTHING!!! But more of the same!

Now that their agenda has succeeded, they want to have a meeting (RRM) to reflect on the woes of the condition of the Church today and the unfortunate need to have to hunker down and protect what little is left. Sickening!!!! The people of God deserve better. For what it is worth, the pagans of the world deserve better.

Mens Group

With the cancellation of the RRM meeting, we are back on.

6:30 Mass followed by our prayerful social.
