Fr. Robideau – What will he say this time?
I can't wait !

We have all heard the story about the man who said nothing. The powers that be came after one group and the man said nothing because he did not belong to that group. The powers that be then came after another group and again he said nothing because he did not belong to that group either. This went on and eventually they came after him. He cried for help, but none came for there was no one left to help him.

The evidence is in, it is clear and undeniable. The powers that be are vast, organized, determined, and unrelentless in their pursuit to destroy all that is good, holy and true. They are out to destroy family, church and country. But who is the “they” and the powers that be? They include Democrats, Masons, media, sodomites, many corporations, BLM, Antifa, socialist, social deviants and so many others. They are really just one group with many outlets. We can just call them those who have sold their soul to Satan, or pagans for short. What may be surprising is that we can add to it another group called Modernists.

Modernists are those who are worse than cafeteria Catholics. Cafeteria Catholics pick and choose what they will believe from the buffet before them. Modernist look at the buffet and notice that they do not like much of what is there, so they bring in their own caterer and put on their own spread. In other words, they do not just say they do not know, like or understand some aspect of the faith, but they make up the faith. It becomes the faith of man, not God. It reduces the Divine Church to a secular man made, man directed, man controlled institution where man determines truth, not God.

Modernists too have sold their soul to the devil and are very much a part of the pagan goal. Dangerous is the fact that many of them are in high ranking positions in the Church. While we know the hierarchy is corrupt, what we fail to see so often is that they are in full concert with the secular pagans. They wanted Biden and they got him in. We can see this, they were silent during the elections and now they speak out a little. Some are saying about time or they are late to the party. But they miss the point. The bishops said nothing because they wanted this. They are part of it. They speak out now, not with moral indignation or to defend truth or justice. They speak out to appease those of us whom they know they still need to answer to, at least to some degree. They need us to think they are still good and need to be

Meetings

Pastoral/Finance Council -- March 2
Security Council --
Men's Group -- March 18
Woman's Group -- March 6

Pastoral Council Meeting March 2 @ 7 pm

Please think about a regular meeting time every 2 months. Something like the first Tuesday of every even month or whatever. What works for you?

followed. They still want our money after all so they can fund their liberal social justice projects and line their pockets.

Another group are those who say, don't they know that they will burn in hell. Yes, they understand. They are not stupid. They know exactly what they are doing. The sooner we acknowledge, understand and accept this, the sooner we will see through their fog of lies and see the truth of what they are doing.

The reality is that the "They" are coming at us on all sides. I am afraid that the "We" with all its sub groups have been playing the Civility game while the "They" have been playing the "Seek and Destroy" Game. Too many of the "We" groups have already been taken down. They are coming for us, but there is no one left to help us.

So many of the "They" are in for a real wake up call unlike any "woke" experience they may have had. They will find that they are not the real power, but that they were pawns in a much bigger game of world domination and suppression. They will find that the power they have given to the higher ups, is going to come back and bite them in the *gluteus maximus*. The "They" will find out they are now part of the "We" but it will be too late. The "They" will have it all.

The "They" are saying today that we just need to wear the mask. But tomorrow they will be saying "Just pick the cotton." The mask and social distancing is nothing but a way to wear us down and weaken us. We must gain our resolve to resist or be enslaved.

The reason for this article is, of course, because of the passing of the Equality Bill. We are in big trouble and once again, I am not hearing anything from the bishops. While our bishop has given that nice teaching and made those nice policies for the diocese, he need to be YELLING the truth for his brother bishops to hear and the government to hear. He should be condemning Usurper Biden. If he does not and if he does not empower and command his priest to do the same, his teaching will be silenced and his policies will be illegal.

As you can see, I am not waiting to be empowered or commanded by my bishop, God has already done that. He does so for you too. God Bless, Fr. Robideau

CONFERENCE

Mass – Side by Side
By Fr. Jeffrey Robideau

March 6 @ 10 am
(9 am for 1st Saturday Mass)

Cost – Free

Location – St. Gregory the Great

There are 3 types of people:

1. Those who have never been to a Traditional Latin Mass
2. Those who have and are confused
3. Those who go to it and love it.

This conference is for all three groups.

Since most people today are familiar with the new Mass said in English, it becomes useful to use it as a model to understand the Traditional Latin Mass. This conference will lay the two Masses side by side so that you can see and understand each in it's own Rite.

We will also discuss the history and development of Liturgy, your role in the Mass, how you can better take a full and active participation in the Mass and two other major points that Vatican II made about liturgy. There will also be time for Q&A.

Coffee and refreshments will be served.

Anniversary Celebration

March 7

Parish Social - 11 am

We will be celebrating our 1 year anniversary of moving into our new church. It has been an interesting year, to say the least. In any case, our new home has served us well and we have grown by many new wonderful families. That is reason to celebrate.

LENTEN FAMILY MOVIE NIGHT & Anniversary Day

March 12 – 6:30 pm

Popcorn & Beverages provided

Movie will be either Fatima or Song of Bernadette (other suggestions?)

We hope to make this a regular thing.

40 Days for life

40 Days for life begins Wednesday, February 17 and goes to March 28.

The goal is to get people outside the Planned Parenthood at Frandor 7 days a week from 7am through 7pm, but we are especially focused on the weekdays when they are open!

We are asking people to volunteer one hour every week for the duration of the vigil to stand and pray outside the abortion (murder) clinic. Many simply pray the 15 decades of the rosary, but you may pray other prayers or any prayer you like.

While you do not need a sign, one can be provided if you want or need one.

Our parishioner, Britteny Paptic, is available to help you or answer any question you may have. She can also pair you up with a partner if you want one. Being there in pairs is recommended for safety reasons.

Please call Britteny @ 248-917-1225 or Brent @ 517-894-4334
