## **The Sacred... The Secular... And Everything**

### **The Chosen**

The 3<sup>rd</sup> season is now out.

If you do not know about it, I recommend this series with only slight reservations. There are a few depictions of Jesus and others that may not be exactly what we would expect, but they do not take away from the beauty of this series.

It is free to watch when you download the app.

### **Trans-Model Vehicle**

My truck is going through a phase right now. It now self-identifies as an Explorer.

### **Church Cleaning**

We have had small crews the last two times. This leads me to ask if the 2<sup>nd</sup> Saturday is not good for people or if you have just forgot.

As always input is needed and appreciated.

### **State of the Union Address**

Summed up - we are in deep doo doo.

This unelected fake Catholic so called president is an absolute nightmare.

When will the bishops ever do the right thing and formally excommunicate that man?

### **SICK**

I am not feeling well so that will have to be it for this week.

Much Love. Fr. Robideau
