Confirmation

The Institute of Christ the King in Detroit has agreed to include us in their Confirmations. No date is set yet, but should be in October.

I am also looking at the Priestly Fraternity of St. Peter in South Bend, IN. They might let us join them too if we need to.

The Sacred... The Secular... And Everything

Ushers

The money counters are set so now we are moving to the ushers.

Training will be on Tuesday May 23 at 7 pm.

If you did not sign up and would still like to join the ushers, please come to this training session.

Front Window

Did you see the new wall that was where the front window was on the Washington Ave side of the building?

I know, it looks a bit protestant right now. Sorry about that. The contractors had this time open to do this part of the job, so I gave them the go ahead.

The finished project will have corpus on it. In other words, the final goal is to have a crucifix there, not just a cross.

The corpus is ordered, but will be another 4 to 5 months to get here.

When it is finished, there will be a security light above it so that it will show day and night for all the traffic to see. It is a form of witness for us to the world that Jesus suffered and died for us.

Salt Blessing Next Week

As Always - Bring Your Own Salt (BYOS)

Happy Mothers Day

To all of our Moms out there, a very special blessing to you today as you have been a special blessing to us.

Thank you for all that you do.

This month of May is dedicated to the honor of Mary. As you will recall, the First Sunday of May (last week) we had the May Crowning recognizing Mary as our Queen, Queen of Heaven and Earth.

She is not just any kind of Queen. She is the Queen Mother, Mother of God and of us all.

God's kingdom is a funny one. If we are all royalty, and family at that, who are the subjects?

Set that question aside. Mary is our Mother and that is what is important.

Mary is the model of both what it means to be a woman and what it means to be a mother. And so, I encourage all of our ladies to be always measuring yourself with Mary as your standard.

You will recall that I gave the homily a few weeks ago about God being our standard by which we measure ourself. And by that measure, we were to ask "Do I measure up?"

We all measure ourselves with God as our standard, but there is a second standard, Mary and Joseph by which women measure themselves by Mary and men by Joseph.

Two incredibly difficult standards to live by, indeed. But, when these two did their job, worked together for the common goal (the Will of God), each according to their proper role, great things happened.

Ladies, young and old, married or single, remember that you have a special connection to Mary that we men will never know or understand. You share in that great gift (from God) of womanhood.

Use that to your spiritual advantage. Know her, love her, imitate her.

And again - Thank you for all you do for us, which is probably more than we know.

Much Love. Fr. Robideau
